

ACE Digital Academy is a flexible, customizable solution used to provide online courses to school districts, students and families. ACE Digital Academy offers over 300 online courses, core subject areas, as well as a host of electives.

Looking for online courses? Many school districts use ACE Digital Academy as a solution to budget cuts, reduction in force, credit flex, credit recovery, and as a means to provide enrichment courses to students. School districts also use ACE Digital Academy as a method to recruit students that had previously enrolled elsewhere. ACE Digital Academy's library of online courses allows districts the ability to customize their offerings to suit individual needs.

With more than 300 online courses for grades K-12, a customizable gradebook, flexible grading methods, internal messaging, built-in assessments and more, districts have the flexibility to use ACE Digital Academy's online courses to fit individual needs. Plus, the entire ACE Digital Academy's website can be customized by you to look like your school and include functions unique to your school, including logos, colors, school announcements, lunch menus, etc.

About the Founders

WENDY HANASKY

Dr. **Wendy Hanasky** began her career as a high school business teacher in Heath, Ohio. She has also taught at the Community College and Higher Education levels. Wendy worked at one of Ohio's Educational Service Centers for 11 years as the Director of Technology Services. She has now transferred her skills to co-create ACE Digital Academy, which is not a school, but an online curriculum provider to schools. Wendy earned her bachelor's degree in Comprehensive Business Education from Ohio University, a master's degree in Education Administration from Franciscan University, and a doctorate degree in Technology Education from West Virginia University. Wendy is married and has two children.

MARIBETH ARLIA

Maribeth **Arlia** began her career as a high school business teacher in Bergholz, Ohio, where she taught for 5 years. She worked at one of Ohio's Educational Service Centers for 10 years as the Instructional Technology Coordinator. Maribeth has now transferred her skills to co-create ACE Digital Academy, an online course provider to schools grades K-12. Maribeth earned her bachelor's degree in Business Education from West Liberty University, and a master's degree in Business Administration from Wheeling Jesuit University. Maribeth is married and has three children.
